- **Differentiation Tips:**
 - *Grades 6-7:* Read the passage aloud and discuss clue words that hint at meanings (e.g., "sharing," "donations," "extra").
 - *Grades 8+:* Have students write sentences using each vocabulary word in a modern context.
- **Engagement Idea:** Create a "Vocabulary Vault" wall where students write new words about kindness and giving throughout the holiday season.
- **Extension Activity:** Challenge students to research one of the vocabulary terms (e.g., **charity**) and find a real-world organization that represents its meaning.
