Teacher's Guide

- **Differentiation Tips:**
 - Read definitions aloud to ensure comprehension for all learners.
 - Provide a smaller set of terms for students who need reduced choices.
 - Pair visual cues (like faces showing emotions) with the vocabulary words.
- **Engagement Strategies:**
 - Use real-life scenarios and ask students which word fits best.
 - Play a "word race" game where students match definitions quickly in pairs.
 - Discuss how these words connect to behaviors they see in school or media.
- **Extension Ideas:**
 - Have students write a short paragraph using at least three of the vocabulary words correctly.
 - Create illustrated flashcards for classroom review.
 - Encourage students to find examples of these traits in books, movies, or friendships.
