Name _____

Acts Of Understanding

Directions: Read the writing prompt below. Think about a time when you showed kindness, understanding, or support toward someone else. Use the sentence starter to begin your short paragraph. Be honest and detailed in your response.

I once noticed someone who looked left out, and I decided to _____.

Continue the story by explaining:

- What happened in that moment
- How the other person felt
- How you felt after helping
- What you learned about empathy from that experience
