## Editorial Fix-Up

**Directions:** Read the short editorial below. Some sentences use **by** or **with** incorrectly or too vaguely. Rewrite the paragraph using precise prepositions to make the meaning clear. Underline each correction you make.

### Editorial: A Town's Green Effort

The park was cleaned **with** a group of volunteers last Saturday. Trash was collected **by** long-handled grabbers and recycled carefully. The flowerbeds were planted **by** new seeds that students brought. Even the benches were painted **with** local artists. The entire project was completed **with** the mayor, showing how the community worked together for a cleaner space.
