Name			

## **Precision In Prose**

**Directions:** Write a short paragraph (6-8 sentences) on one of the following topics: **Art, Science, or Invention.** Use **by** and **with** correctly throughout your writing to show who performed actions (**by**) and what tools or methods were used (**with**). Be creative but precise. Underline each use of **by** and **with** in your paragraph.

**Example:** The sculpture was designed **by** an artist who loved modern shapes. It was carved **with** sharp tools and polished **with** smooth sandpaper. Visitors admired how each detail was created **by** careful hands and shaped **with** skill.
