1. sun
2. map
3. cat
4. bus
5. pen
6. hat
7. bed
8. can
9. fox
10. wig

### Teacher's Guide

- Students in K-1 benefit from clear contrasts in vowel sounds. Encourage them to read each option aloud before choosing.
- For emerging writers, allow verbal matching first, then have them trace or copy the correct word.
- Provide picture cards and word cards for hands-on matching to support kinesthetic learners.
- Extension: Have students draw their own CVC picture and write its word, or create a partner matching game using additional CVC pairs.
