

Name _____

Rhyme Houses Answer Key

- **House -at:** cat, bat, hat, rat, mat
- **House -ig:** pig, wig, dig, big, fig

Teacher's Guide

- **Skill focus:** Sorting **CVC** words by **word family rimes** to build rhyming awareness.
- **How to teach:** Say each word aloud and stretch the ending sound before placing it in a house.
- **Differentiation:**
 - Support: Read the Word Bank together and clap when students hear the same ending sound.
 - Challenge: Ask students to add one more word to each house orally.
- **Engagement:** Let students pretend the words are "moving in" to the house that sounds the same.
- **Extension:** Have students circle the matching ending letters in each word after sorting.
