Teacher's Guide

- **Skill focus:** Building **oral rhyming awareness** using simple **CVC** word pairs.
- **How to use:** Say each pair slowly and clearly; students repeat and listen for the same ending sound.
- **Differentiation:**
 - Support: Stretch the ending sound together (example: cat, at; hat, at).
 - Challenge: Ask students to say one more word that rhymes with each pair.
- **Engagement:** Turn it into a call and echo; you say the words, students echo, then point.
