2. frog
3. run
4. red
5. wig
6. box
7. rug
8. fan
9. mop
10. ten

Teacher's Guide

- **Skill focus:** Using rhyme to choose the correct **CVC** word that fits a sentence.
- **How to teach:** Read the clue word first, then have students listen for the same ending sound in the choices.
- **Differentiation:**
 - Support: Say the options aloud and have students repeat the rhyming pair (example: cat, hat).
 - Challenge: Students create a new sentence using the same rhyming word.
- **Engagement:** Use partner work; one student reads the clue word, the other reads the choices, then they decide together.
- **Extension:** Have students underline the matching ending letters in the clue word and the answer (example: pen and ten end with en).
