## Silent E Matchups Answer Key

1. cake → D
2. bike → B
3. rope → A
4. cube → E
5. hose → C

### Teacher's Guide

- Remind students that the silent e changes the vowel sound from short to long, and prompt them to say both versions aloud when needed.
- Provide sentence examples on the board using the CVCe words to reinforce meaning for students who benefit from context support.
- Offer picture cards or real objects for students who need more concrete visual reinforcement.
- For an extension, ask students to create their own CVCe picture descriptions or draw a new CVCe object and label it.
