The Lake Race

Jake planned a small race by the lake for his friends. He set out a wide gate as the start line and used bright tape to mark the path. Marie chose to bike the course, while Cole decided to skate instead. During the race, Jake saw a snake slide across a rock, but it moved away fast. Everyone crossed the finish line with a smile, and Jake wrote each friend's score on a big page.

1. Who planned the race?

2. What did Jake use to mark the path?

3. What animal did Jake see during the race?

4. How did Marie choose to travel along the course?

5. Write two CVCe words you found in the passage.
