

Name _____

CVVC Mini Passage

Directions: Read the passage. Circle all CVVC words you find. Then answer the questions.

Along a quiet road near the edge of town, Reed and Mae found a small creek hidden behind tall trees. They watched ducks float slowly across the water while bright leaves drifted past them. Reed used a clean net to scoop a shiny bead he saw resting on a rock. Mae pointed to a beam of warm sunlight that began to glow through the branches. The creek became their favorite place to read and dream after school.

1. Where did Reed and Mae find the creek?

2. What did the ducks do on the water?

3. What did Reed scoop with his net?

4. What did Mae point to in the trees?

5. Why did the creek become their favorite place?

Write five CVVC words you circled: _____
