### Teacher's Guide

- This activity strengthens CVVC pattern recognition in connected text and builds comprehension skills at the same time.
- Read the passage aloud once to support emerging readers, then allow independent rereading for word hunting.
- For differentiation, provide a vowel team chart or highlight one vowel team to focus on, such as **ea** or **ee**.
- For engagement, let students compare their found words with a partner and discuss any differences.
- For extension, challenge students to write a short paragraph about a peaceful place they enjoy using at least three CVVC words.
