

Name _____

Rainy Day Match Answer Key

1. E
2. C
3. A
4. F
5. D
6. B

Teacher's Guide

- This worksheet helps students connect **CVVC spelling patterns** to meaningful vocabulary using visual prompts.
- Support students by modeling how to stretch out vowel teams and listen for the vowel sound in the middle.
- For differentiation, provide extra practice pictures or let students orally explain how they identified each word.
- For extension, ask students to create their own picture labels and generate new CVVC words to match.
