Teacher's Guide

- This worksheet helps students strengthen their ability to **identify CVVC vowel team patterns** among mixed word types.
- Review the meaning of CVVC before beginning. Point out that the middle of the word contains a vowel team such as **ai**, **ea**, **oa**, **ee**.
- For differentiation, read the list aloud and let emerging readers echo the vowel sound before deciding. Provide visual vowel team charts if needed.
- For engagement, let students become detectives by checking each other's work and explaining why each chosen word is CVVC.
- For extension, ask students to choose three CVVC words and write short sentences or create a mini word sort by vowel team.
