Teacher's Guide

- This worksheet boosts comprehension of **CVVC vowel team words** through simple riddles that require students to think about meaning and not only spelling.
- Read the riddles aloud first and model how to use key clues to choose the correct word from the bank.
- For differentiation, reduce the word bank or highlight vowel teams for students who need more support.
- For engagement, let students act out one of the riddles while classmates guess the correct CVVC word.
- For extension, have students create their own CVVC riddles and swap with a partner to solve.
