2. train
3. seat
4. fleet
5. clean
6. reach
7. leaf
8. bread
9. leap
10. team

### Teacher's Guide

- This worksheet strengthens recognition of common **CVVC vowel teams** and encourages students to consider word meaning when selecting a vowel pattern.
- Offer support by reviewing the vowel teams first and providing example words on the board.
- For differentiation, allow students to read each completed word aloud and use it in a short sentence to reinforce understanding.
- For extension, invite students to create three new words that use the same vowel teams and write simple sentences for each.
