## The CVVC Stream

**Directions:** Read the paragraph. Circle or highlight all CVVC words you find. Then answer the questions.

Leah and her friend Joan went to a small stream near their street. They hoped to see frogs leap from leaf to leaf. Leah brought a loaf of bread to feed the ducks that float quietly on the water. Joan used a clean, green net to scoop leaves that drifted past. The two friends stayed until the sun began to glow through the trees.
