## Courage in Action

**Directions:** Below are key events from *Call it Courage*. Each event is the **cause** of something that follows. Your task is to link it with the correct **effect** by writing the matching letter before each number.

### Causes (Events in the Story)

1. Mafatu sets out alone in his canoe despite his fear of the sea.
2. A violent storm lashes against his canoe.
3. Mafatu discovers a wild boar on the island.
4. He crafts weapons and tools from what he finds.
5. Mafatu sees signs of human sacrifices left by cannibals.
6. He climbs the mountain to find a lookout.
7. Mafatu fights and kills the wild boar.
8. He builds a raft and prepares to leave the island.

### Effects (Outcomes/Consequences)

- A. Mafatu shows bravery and resourcefulness by surviving on the island.
- B. He gains strength and courage, proving to himself he is no longer afraid.
- C. He earns the right to be proud and return to his people with honor.
- D. He demonstrates cleverness and skill by making what he needs to survive.
- E. The sea tests his courage and nearly costs him his life.
- F. He learns to observe dangers from afar and prepare for threats.
- G. His survival skills allow him to face the greatest test: human enemies.
- H. He proves he can confront and overcome his deepest fears.
