### Teacher's Guide

- **Skill Focus:** Strengthens understanding of *can* as showing **ability** and *could* as showing **politeness** in requests.
- **Differentiation Tips:**
  - For younger or struggling learners, review example sentences together before sorting.
  - For advanced learners, ask them to create two new sentences using each modal correctly.
- **Engagement Idea:** Have students role-play short interactions, using *can* and *could* in real-life classroom situations.
- **Extension Activity:** Challenge students to rewrite all *can* sentences as polite requests using *could* to see how the tone changes.
