Teacher's Guide

- Use this activity as a warm up, review, or quick assessment on Canadian facts.
- Encourage students to underline **climate**, **wildlife**, **borders**, or **government** words in each statement.
- Allow students to work individually or with a partner depending on age.

Differentiation Tips

- For Grades 3 to 5:
 - Read statements aloud and explain tricky vocabulary like parliament or regions.
 - Let students use a Canada reference map to support understanding.
- For Grades 6 to 8:
 - Ask students to correct the false statements by writing accurate versions.
- For Grades 9 to 12:
 - Challenge students to write two new True or False statements focusing on political structure or climate zones.
