

Name _____

Canadian Landmark Report

Directions: Choose one Canadian landmark from the list or select another approved landmark. Write a short report explaining where it is located and why it is important.

Step 1: Choose a Landmark

You may choose from the examples below or select a different Canadian landmark you know.

- Niagara Falls
- Banff National Park
- CN Tower
- Peggy's Cove Lighthouse
- Hopewell Rocks
- Parliament Hill
- Gros Morne National Park
- Old Quebec

Step 2: Research Questions

Use complete sentences to answer each part. Your responses will form your short report.

1. What landmark did you choose?
2. In which **province or territory** is this landmark found?
3. Describe the **geographic features** of the area around the landmark.
4. Why is this landmark important to Canada's history, culture, or environment?
5. What is one interesting fact about this landmark that people might not know?
6. Why did you choose this landmark for your report?

Step 3: Write Your Short Report

Use your answers to write one clear paragraph that explains the landmark's **location** and **significance**. Make sure your paragraph is at least five sentences.
