Teacher's Guide

- This vocabulary quiz is ideal for warm up practice or quick review before discussing Canadian geography.
- Encourage students to underline **keywords** in each definition.
- Allow students to read the list twice before matching to build confidence.

Differentiation Tips

- For Grades 4 to 6:
 - Provide short examples or images for words like tundra or river.
 - Let students work in pairs to discuss unfamiliar terms.
- For Grades 7 to 12:
 - Ask students to write a sentence using two of the vocabulary terms.
 - Challenge students to explain how at least three terms connect to Canada's geography.

Engagement Ideas

- Have students stand up and move to labeled corners of the classroom that represent each term.
- Use a map to show the location of the St. Lawrence River and nearby provinces.
- Invite students to brainstorm other bilingual places in the world.
