## Canadian Territory Match Answer Key

- |      |      |
|------|------|
| 1. E | 5. B |
| 2. F | 6. H |
| 3. G | 7. C |
| 4. D | 8. A |

### Teacher's Guide

- Use this activity during a lesson on Canadian provinces and territories.
- Encourage students to read all options before matching to avoid quick guessing.
- Invite students to circle **keywords** such as island, city, or hill to make connections.

### Differentiation Tips

- For Grades 3 to 5:
  - Provide a small map of Canada for visual support.
  - Read the list aloud and define capital and landmark in simple terms.
- For Grades 6 to 8:
  - Ask students to write one extra fact about a province they matched correctly.
  - Challenge students to explain how landmarks affect tourism or culture.

### Engagement Ideas

- Show photos of the landmarks and have students guess which province they belong to.
- Ask students to share any travel experiences or fun facts they know about these places.
