

Name _____

Signal Sentence Builders

Directions: Use the given signal word to finish each sentence with a logical cause-and-effect relationship.

1. The streets were slippery **because** _____.
2. The team practiced every day, **so** _____.
3. The oven was left on, **therefore** _____.
4. **As a result** of the heavy snow, _____.
5. The concert was delayed **due to** _____.

Create Your Own: Write one original sentence for each signal word below. Make sure each sentence shows a clear cause-and-effect relationship.

1. since → _____
2. consequently → _____
3. because → _____
4. therefore → _____
5. so → _____

Paragraph Challenge: Write a short paragraph (4-5 sentences) that includes at least **three different signal words** to show cause and effect. Circle the signal words in your paragraph.
