

Name _____

Ch Riddle Roundup Answer Key

- chip
- chair
- chicken
- chalk
- chime
- cherry

Teacher's Guide

- Read the riddles aloud once before students write their answers. Many early readers benefit from hearing the clues clearly.
- Encourage students to underline the beginning sound they hear when they say their answer out loud. This builds sound awareness.
- Provide sentence frames for students who need support, such as "I think it is _____ because _____."
- To extend the activity, have students create one new **ch** riddle on their own and trade with a partner.
