Teacher's Guide

- Read the paragraph aloud first to help students hear the **ch** sound in context.
- Encourage students to slow down and scan each word carefully rather than guessing.
- For students who need support, preview two or three key **ch** words before reading.
- For enrichment, have students write one new sentence that could come after the passage using at least two **ch** words.
- Partner idea: Let students compare their highlighted words with a partner to ensure they did not miss any.
