## Ch Read And Rewrite

**Directions:** Read the paragraph. Highlight or circle every **ch** word you find. Then choose three of those words and write your own sentences using them.

Mila carried a small charger in her backpack as she walked to the science club room. Inside, she saw a chart showing different animals and a bright chameleon perched on a branch. Her friend began to chat about their project while Mila took chunks of clay from a bin to build a model. They both smiled when the teacher gave them a cheerful checklist to help them stay organized.
