## Ch Cloze Adventure

**Directions:** Fill in each blank with a **ch** word. Use at least five different ch words to finish the silly story.

This morning, I walked outside and saw a tiny  
\_\_\_\_\_ sitting on my porch. It held a piece of  
\_\_\_\_\_ in its paws and tried to balance on a  
wobbly \_\_\_\_\_. When I got closer, it started  
to \_\_\_\_\_ happily and pointed to a colorful  
\_\_\_\_\_ hanging from a branch. I could not  
believe my eyes, so I ran to \_\_\_\_\_ with my  
friend to tell them what I saw.
