## Dice Of Emotions

**Directions:** Read the short scene below aloud. Before reading each character's line, **roll a dice (or use teacher's assigned numbers)** to see which emotion you must use. Emotions to assign to numbers 1–6:

- 1 = Angry
- 2 = Happy
- 3 = Sad
- 4 = Excited
- 5 = Scared
- 6 = Silly

Read the line in the emotion you rolled, even if it doesn't "fit." After reading, answer the reflection questions.

### Scene: *The Hidden Key*

**Narrator:** Deep in the forest, three friends discovered a strange wooden box.

**Ari:** Look! There's a lock, but no key in sight.

**Juno:** Maybe it's hidden under the leaves... or maybe someone took it.

**Kai:** Well, we can't open it unless we solve the mystery!
