## Expressive Dialogue Quest

**Directions:** Read the dialogue scene below with a partner or small group. Decide who will play each character. Act out the dialogue together, using **expressive voices** to match each character's personality and mood. After your role-play, answer the reflection questions as a group.

### Scene: The Lost Crown

**Queen Alira:** (firm but worried) We cannot waste another moment! The royal crown has vanished.

**Jester Pip:** (playful, slightly guilty) Oh, Your Majesty, I was only juggling near the throne... but I didn't touch it!

**Guard Rolf:** (booming, loyal) No thief will escape my watch. I'll search every corner of the castle.

**Servant Mara:** (timid, anxious) Perhaps... perhaps it was carried away by magic?

**Queen Alira:** (decisive) Then we must act quickly. Each of you—bring me news before the hourglass empties!
