Name _____

Golden Ticket Timeline

Directions: Below are **eight key events** from the story, but they are scrambled out of order. Your task is to place them in the correct sequence from the beginning of the book to the end. Write the correct number (1-8) in the space beside each event.

_____ A. Charlie finds a golden ticket in a Wonka Bar.

_____ B. Willy Wonka leads the children to the Chocolate Room with the chocolate river.

_____ C. Veruca Salt demands a squirrel and is judged a "bad nut."

_____ D. The story introduces Charlie's poor but loving family.

_____ E. Violet Beauregarde chews the experimental gum and turns into a blueberry.

_____ F. Mike Teavee shrinks himself with the Television Chocolate machine.

_____ G. Augustus Gloop falls into the chocolate river and is sucked up the pipe.

_____ H. Willy Wonka declares Charlie the winner and passes the factory on to him.
