## Charlotte's Web of Themes

**Directions:** As you read *Charlotte's Web*, keep track of how important themes appear in different chapters. Fill in the chart below by writing one example from each listed chapter that shows the theme of **Friendship** or **Sacrifice**. Be sure to include a short note or piece of text evidence for each.

| Chapter   | Friendship - How is it shown? | Sacrifice - How is it shown? |
|-----------|-------------------------------|------------------------------|
| Ch. 1-3   |                               |                              |
| Ch. 4-6   |                               |                              |
| Ch. 7-9   |                               |                              |
| Ch. 10-12 |                               |                              |
| Ch. 13-15 |                               |                              |
| Ch. 16-18 |                               |                              |
| Ch. 19-21 |                               |                              |
| Ch. 22    |                               |                              |
