## Neverland Notes

**Directions:** Read the short passage reminder below. Pretend you are **Wendy** writing a letter to her parents back home in London. In your letter, describe what life is like in Neverland: what you see, who you meet, and how you feel. Write at least **one paragraph (5-6 sentences)** in your letter. Make sure the details sound like something Wendy herself might say.

Wendy traveled to Neverland with Peter Pan and her brothers. There she met the Lost Boys, saw fairies like Tinker Bell, and faced dangers from Captain Hook and his pirates. Neverland was filled with both exciting adventures and moments when Wendy longed for home.
