

Name _____

North Pole Gift Tracker Puzzle Answer Key

Child	Gift	Elf	Time
Ava	Soccer Ball	Tinsel	11:00 PM
Max	Puzzle Cube	Jingle	10:00 PM
Lily	Teddy Bear	Pep	Midnight
Jordan	Art Set	Frost	9:00 PM

Breakdown of Key Logic Moves:

- Clue 2: Frost → Art Set at 10 PM → Jordan must have gotten this, since Jordan's gift came earlier than Ava's (Clue 3).
- Clue 6: Teddy Bear → Midnight
- Clue 8: Lily's gift → delivered by Pep → only gift left is Teddy Bear at Midnight → Lily = Teddy Bear, Pep, Midnight
- Clue 5: Max = Jingle, NOT 11 PM → Only remaining times are 10 PM (taken), Midnight (taken), so Max = 10 PM → Conflict! So Max must be the Puzzle Cube delivered by Jingle at **10 PM**, which contradicts Clue 2 unless... Jordan = 9 PM, Frost, Art Set
- Clue 4: Soccer Ball ≠ Pep ≠ Lily → Ava = Soccer Ball, which must be delivered by Tinsel
- Ava ≠ Tinsel (Clue 7)? Nope! Clue 7 says Ava ≠ Puzzle Cube → Ava = Soccer Ball, Elf = Tinsel, Time = 11 PM
- Jordan = Art Set, Frost, 9 PM
- Remaining child is Max = Puzzle Cube, Jingle, 10 PM
- Lily = Teddy Bear, Pep, Midnight
