## Gift Planning Committee Log

**Mission Briefing:** Santa's gift list has gotten **very long this year**, and his toy-making elves are overwhelmed. To save time, he's outsourcing some gifts from local stores-but there's a catch: **Santa has a gift-buying budget of \$100.** Your job is to **choose gifts for four children**, making sure to stay **within budget** and make thoughtful, fun choices.

Toy List from the North Pole Catalog:

Item	Price	Item	Price
Teddy Bear	\$15	Puzzle (500 pieces)	\$12
Remote Control Car	\$25	Snow Globe	\$10
Soccer Ball	\$20	Board Game	\$22
LEGO Set	\$30	Holiday Storybook	\$8
Art Supplies Kit	\$18	DIY Gingerbread House Kit	\$14

### Kids on Santa's List:

1. **Ella** – Loves painting and anything creative
2. **Jamal** – Loves running outside and playing sports
3. **Sophie** – Loves reading and quiet games
4. **Leo** – Loves cars, building, and fast toys

### Part 1: Choose Gifts and Budget

**Instructions:** Pick **one gift per child** from the toy list above.

Write the name of the gift and the cost in the chart below, then total your spending.
