

Chrono Cloze Answer Key

Completed Passage:

First, Ava heard scratching at her back door. She opened it and saw a small puppy shivering in the rain. **Next**, she brought the puppy inside and wrapped it in a towel. **Then**, she poured some milk into a bowl and set it on the floor. **Afterward**, Ava looked for a collar but found none. **Finally**, she decided to make a "Lost Puppy" sign to help the puppy find its home.

Sample Prediction (answers will vary):

After Ava made the sign, a neighbor might see it and come to claim the puppy. Or the puppy might stay with Ava until its owner is found.

Create Your Own Sequence: Sample Answer

First, I set up the board for my favorite game. Next, I shuffled the cards and handed them out. Then, my friend rolled the dice and moved her piece. Afterward, we laughed at a funny card she drew. Finally, I won the game by reaching the last space.

Teacher Notes / Guide

- This task strengthens recognition of **signal words** in context.
- Some answers may be swapped (*Next* vs. *Then*) but should still make sense in sequence.
- Encourage students to reread aloud to hear if their version flows logically.
- Extension: Have students create their own cloze story using time words for classmates to solve.
