

Name _____

Orderly Signals

Directions: Rewrite the passage below, inserting at least **four sequence words** from the list below. Make sure your version reads smoothly and clearly shows the time order of events. Underline or highlight the sequence words you added.

Sequence Word List: *First, Next, Then, Afterward, Later, Finally*

Planting a Garden

Mia wanted to grow tomatoes in her backyard. She dug small holes in the soil. She placed tomato seeds in each hole. She covered the seeds with dirt and watered them. She checked the garden every morning until green sprouts appeared.
