Clue Word Hunt Answer Key

Highlighted Order Clue Words: *First, Then, Later, After that, Finally*

Comprehension Answers:

1. Jordan carried his volcano model into the gym.
2. He placed it on the table and arranged his poster beside it.
3. The judges asked him questions about how he built the volcano.
4. Jordan received a ribbon for his creative project.
5. The clue words show the time order of events, making it easier to understand what happened step by step.

Teacher Notes / Guide

- Encourage students to actually **mark the clue words** before answering questions.
- Discuss how removing the order words would make the sequence harder to follow.
- Extension idea: have students rewrite the passage without the clue words and see if classmates can still tell the correct order.
