

Name _____

Order To Outcome

The Rainy Day Picnic

First, Olivia packed sandwiches, fruit, and drinks into a basket. Then, she grabbed a blanket and met her friends at the park. Later, dark clouds rolled in, and the group heard thunder in the distance. Soon after, raindrops began to fall, and everyone rushed to gather their things.

Directions:

- Below are events from the story. Place them in the correct chronological order by numbering them 1-4.

- ___ Dark clouds rolled in and thunder was heard.
- ___ Olivia packed sandwiches, fruit, and drinks.
- ___ Raindrops began to fall and everyone gathered their things.
- ___ Olivia met her friends at the park with a blanket.

- After putting the events in order, **predict what would logically come next** in the story. Write 2-3 sentences to explain your reasoning.
