

Name \_\_\_\_\_

## The Freedom Rides Answer Key

1. C. To test enforcement of desegregation in interstate travel
2. C. It was firebombed by a mob
3. D. They remained nonviolent and continued
4. C. They brought attention to violations of federal law
5. *They included both Black and white activists to show solidarity and to demonstrate that segregation affected everyone and was morally wrong regardless of race.*
6. *The violence against the Freedom Riders highlighted the South's resistance to federal law and led the government to enforce desegregation in interstate travel more strictly.*
