The Claude Critic

Claude AI gives thoughtful answers-but no answer is perfect. Today, you'll act as a **Claude Critic**: read one of Claude's responses carefully, copy it below, and analyze what it does well and what could be better. You'll then reflect on how to improve the answer using clear, honest feedback. Remember: great thinkers don't just ask questions-they question answers.

Step 1 - Choose Your Example -
Ask Claude something you're curious about. For example:

"Why do people like superheroes?"
"Explain how rainbows form."
"What are some ways to be kind to others?"

Then, **copy Claude's full response or a short part of it below:**

Step 2 - Analyze Like a Pro

1. What did Claude do well?   (Choose the best two answers.)
☐ A. It stayed on topic and answered clearly.
☐ B. It gave accurate facts.
☐ C. It used interesting words or examples.
☐ D. It sounded polite and positive.
☐ E. It was funny or creative.

2. What could Claude improve? (Choose the best two answers.)
☐ A. It repeated ideas or used filler words.
☐ B. It could have explained more details.
☐ C. The tone didn't fit the question.
☐ D. It used too many big words.
☐ E. It was a little confusing or vague.

3. How would _you_ make the answer better? (Choose one or more and add your own idea.)
☐ A. Add more examples or evidence.
☐ B. Use simpler words or shorter sentences.
☐ C. Make it more creative or personal.
☐ D. Explain something that Claude missed.
☐ E. Add a fun comparison or story.

Your improvement idea (in your own words):
