

Name _____

Make It Fancy, Claude!

Claude AI isn't just smart-it's a writing buddy that can help you level up your words. Today, you'll give Claude some *boring* sentences and ask it to make them shine. You'll then rewrite Claude's suggestions, spot the improvements, and decide what makes the new version stronger.

Remember: Claude gives ideas-you make the final creative choices!

Step 1 - Warm-Up: Plain to Powerful - Ask Claude:

"Can you make this sentence more exciting and grammatically correct?"

Use these sentences to start:

1. The dog ran fast.
2. The sky was nice.
3. The pizza was good.
4. She walked to school.
5. The movie was fun.

Write Claude's improved versions below each sentence.

Example: Original: The dog ran fast.

Claude's Version: The energetic dog sprinted down the street like it was chasing the wind!

Step 2 - Word Power! - Now, ask Claude:

"Can you give me two more versions of this sentence using stronger words?"

Try this with at least two of your sentences and write them below.

Then, circle or underline the words Claude changed that made the biggest difference.

Step 3 - Fix the Flaws - Here are some sentences that have mistakes.

Ask Claude to correct and improve each one 3 different ways.:

1. The book were very interesting.
2. Him and me is going to the park.
3. Their going to sea a movie.
4. The cake smell really goodly.

Write Claude's corrected sentences on the back of this paper.
