Building a Superhero One Prompt at a Time

Claude AI can help you brainstorm wild ideas-but it's up to *you* to shape them. In this creativity lab, you'll work with Claude to design an original superhero, refining and improving your ideas step by step. Each new prompt is a new experiment in imagination, so think of Claude as your creative sidekick! Use each response to build, tweak, and evolve your hero through at least **five rounds** of collaboration.

Step 1 - The Spark Ask Claude:

"Help me design a brand-new superhero."

Write Claude's main idea here (their powers, personality, look, or mission):

_____

_____

Step 2 - Refinement #1: Identity and Name Make your hero unique. Ask Claude:

"Help me name my superhero and explain why that name fits their powers."

Write your favorite ideas below:

_____

_____

Step 3 - Refinement #2: Motto and Mission Next, ask Claude:

"Give my superhero a catchy motto and a clear mission."

Write them here: **Motto:** _____

Mission: _____

Step 4 - Refinement #3: Weakness and Challenge
Even superheroes have limits! Ask Claude: "What is one weakness or challenge my hero faces, and how do they overcome it?"

Claude's answer (summarize or paraphrase):

_____

_____

Step 5 - Refinement #4: Origin Story It's time for backstory. Ask Claude:

"Write a short origin story for my superhero-how they got their powers and what inspired them."

Write or summarize Claude's story here:

_____

_____

_____

_____

Step 6 - Refinement #5: Visual Design and Personality
Now give your hero style. Ask Claude: "Describe what my superhero looks like and what kind of personality they have."

Write details below:

_____

_____

_____

_____

Step 7 - Your Turn: Sketch It! - Use the space below to **draw your superhero** based on everything you and Claude created together.
(You can label special powers, costume details, or sidekicks if you want.)
