

Name _____

A Lesson in Safe and Smart Chatting with Claude AI Answer Key

Step 1 - Ask About Safety - Sample Claude Response (may vary):

"You should never ask me or tell me personal information like your home address, phone number, passwords, or private details about yourself or others. It's also not okay to ask for unsafe or harmful information."

Expected Student Summary:

- Don't share personal information (like address, phone number, passwords).
- Avoid unsafe or inappropriate questions.

Step 2 - Ask About Privacy - Sample Claude Response:

"I don't store or share personal information, and I'm designed to avoid unsafe or private topics. I can remind people about online safety and help them learn how to protect themselves."

Expected Student Summary:

- Claude doesn't save personal info.
- It follows rules to keep chats safe and remind users about privacy.

Step 3 - Practice Smart Choices

Scenario

Expected Safe Response

- | | |
|--|--|
| 1. Claude asks for your home address so it can send you a prize. | "I shouldn't share my address online." |
| 2. You want to tell Claude your full name and school name. | "It's better to keep that private." |
| 3. Claude gives an answer you don't understand. | "Can you explain that another way?" or "I don't understand-can you clarify?" |

Step 4 - Quick Check (Multiple Choice)

1. What kind of information should you **never** share with Claude or any AI?
Correct Answer: C. Your full name or address
2. If Claude says something confusing, what's the best thing to do?
Correct Answer: B. Ask a follow-up question politely
3. What's one goal of chatting safely with Claude?
Correct Answer: D. To protect your privacy and be respectful
