

Name _____

Collective Nouns Worksheet (Zoo Edition)

Instructions - Each sentence describes a scene from a day at the zoo. In each case, **circle the correct collective noun** from the words in parentheses.

1. As we entered the zoo, a (troop / herd / pod) of monkeys swung across the trees.
2. The zookeeper pointed to a (swarm / pride / bunch) of lions relaxing in the shade.
3. A (flock / crowd / class) of visitors gathered near the elephant enclosure.
4. In the pond, a (shoal / litter / gaggle) of ducks quacked loudly.
5. We watched a (school / troop / pack) of penguins waddling toward their icy pool.
6. A (group / band / herd) of zebras grazed near the edge of their habitat.
7. The tour guide showed us a (swarm / pod / team) of seals playing with balls.
8. A (litter / pride / colony) of meerkats stood tall, scanning for danger.
9. A (bunch / crowd / flock) of flamingos stood gracefully on one leg.
10. In the reptile house, a (cluster / nest / panel) of snakes rested under a heat lamp.
11. The guide explained that a (pack / troop / pod) of hyenas lived together in the back enclosure.
12. We saw a (group / shoal / swarm) of butterflies fluttering in the zoo's tropical garden.
13. Near the gift shop, a (staff / class / stack) of zoo employees greeted guests.
14. A (choir / parade / troop) of children walked through the zoo wearing matching hats.
15. In the evening, a (fleet / group / colony) of bats flew out from their cave.
