

Name \_\_\_\_\_

## Colonial Life Compare Answer Key

1. The land was rocky, and winters were long and cold.
2. "Breadbasket Colonies" because they grew lots of grain like wheat and oats.
3. Tobacco, rice, and indigo.
4. New England Colonies.
5. Farming on large plantations using enslaved labor.

### Teacher's Guide

#### Engagement Ideas

- Sort picture cards of crops, clothing, and buildings into colony regions.
- Quick debate: "Which colony would you want to live in and why?"

#### Extension Activities

- Short research report on a specific colony (e.g., Virginia, Pennsylvania).
- Create a travel flyer advertising life in one colonial region.
- Interactive timeline of major colonial events.
