Directions: Read the passage. Highlight or underline all the **prefixed words**. Then answer the questions at the bottom.

The Busy Morning

Mia wanted to redo her morning routine because she kept forgetting things. She decided to unpack her backpack and recheck her homework. Before leaving, she asked Dad to preview her science project. When she stepped outside, she noticed a disconnect between the weather report and the real sky. She went back to repack her jacket just in case. Mia felt proud that she had reset her plan to stay organized.

1. How many prefixed words did you find? _____
2. Which prefix appeared the most: re-, un-, pre-, or dis-? _____
3. Choose one prefixed word from the passage and write what it means:
