3. kindness
4. useless
5. excitement
6. playful
7. peacefulness
8. strength
9. meaningful
10. darkness

### Teacher's Guide

- This worksheet supports students in recognizing **correct suffix forms** and determining which word best fits a sentence.
- Provide support by reviewing the meanings of common suffixes before students begin.
- Encourage on-level learners to explain why the chosen word fits better using phrases like **full of**, **state of**, or **without**.
- For extension, have students create two of their own choose-the-word sentences or sort the correct answers by suffix category.
