

Name _____

Business Blueprint

Directions: Read each profile. Choose the business structure that best fits the entrepreneur's needs.

Choices: Sole Proprietorship | Partnership | Corporation | LLC

1. Lena wants to run a small photography business alone. She wants the simplest structure and accepts personal responsibility for business debts.
Best structure: _____
2. Marcus and Theo want to own and manage a lawn-care business together. They are comfortable sharing profits, decisions, and personal responsibility for debts.
Best structure: _____
3. Four entrepreneurs are launching a technology company. They want to raise large amounts of money by selling shares to investors.
Best structure: _____
4. Sofia wants to own a bakery by herself but wants her personal assets generally protected from business debts. She also prefers flexible management.
Best structure: _____
5. Kayla and Jordan are opening a tutoring center together. They want shared control but also want limited personal liability and flexible management.
Best structure: _____
6. Amir plans to operate a small window-cleaning service alone. He wants full control and does not mind being personally liable for its debts.
Best structure: _____
